Your Best and Highest Use: Building a Career in Academic Surgery

Zara Cooper, MD, MSc, FACS
Professor of Surgery, Harvard Medical School
Kessler Director, Center for Surgery and Public Health
Director, Center for Geriatric Surgery
Department of Surgery, Brigham and Women's Hospital

Learning Objectives:

Upon completion of this activity, participants should be able to:

1. Understand the varying role that research can play in an academic career.
2. Recognize the different reasons to use quantitative and qualitative data in health services research.
3. Define Mentor vs. Sponsor

Disclosure

Dr. Cooper has disclosed that she has no relevant financial relationships. No one else in a position to control content has any financial relationships to disclose. Conflict of interest information for the CME Advisory Committee members can be found on the following website: <https://cme.ufl.edu/disclosure/>. All relevant financial relationships have been mitigated.

Accreditation
